Chairman Wilford opened the meeting at 7:02 pm.

The Board discussed the minutes from the February 23, 2015 minutes. The Chairman informed Board member Scally about the events of the February 23, 2015 meeting in regards to Stewart's presentation.

The Chairman asked James Greene and Cathy Glass to give their interpretation of what transpired at the meeting. They did. The board held a discussion on the meeting, procedures and laws relating to the Planning Board. The Chairman discussed a possibility of holding a mock special use permit hearing with the ZBA.

It was determined that the minutes could not be approved because there were only two current Planning Board members sitting at this meeting and a third member would be needed.

Chairman Wilford made a motion to adjourn the meeting at 7:45 pm. Board member Shaw seconded the motion. All in favor.

Respectfully submitted,

Kelly Best
